**THURS., FEBRUARY 27, 2025**  
1:00 PM at the Farm, Pipestone, MN  
**SELLING 63 ANGUS BULLS**

*Fellow Cattle People,*

The Cottonwood Angus family would like to welcome you to our **55th Annual Bull Sale, Thursday, February 27th held at the Farm, Pipestone, MN.** Here at Cottonwood Angus we strive to raise cattle that have a well balanced genetic profile, structural soundness, performance, longevity and docility. At the present time, it's of more importance to have a feeder calf that will bring a premium. We know that this set of bulls will help you accomplish your goals.

Our sire groups include Moore Super Duty, Ellingson Prolific, Connealy Craftsman, BAR Dynamic and others. The bulls we have to offer will sire calves that will get up quickly, grow fast and most importantly add quality to your calf crop. With the cattle markets being at record high we know that pounds matter. We believe that our set of bulls will add the extra pounds to your cattle, while still having the correct soundness and structure.

We hope to see everybody on sale day; however we realize that it's not always possible. For those who cannot attend in person, you can log onto DVAuction.

The Cottonwood Family would like to say thank you. Without the support and friendships of many, we wouldn't be able to achieve our goals and help you with yours.

*The Cottonwood Angus family* *Justin Butman* *Lance Oye*

There will be a representative from Martin-Trudeau Insurance available sale day to explain and sign up for this option for the first breeding season. A real cowboy bull here. He adds pounds, muscle mass, correct structure, good feet and quality to his offspring. Super Duty does all this more consistently than any other bull we've used.

Craftsman's progeny are powerfully made, have expressive muscle, are long bodied, with explosive growth and tremendous balance and correctness. One of the most unique and adaptable maternal bulls in the breed when you consider he ranks in the top 20% of the breed for Heifer Pregnancy, Milk, Docility, Claw and Angle, PAP, and Hair Shedding. Don't overlook his efficiency. Craftsman is one of our best for moderate DMI combined with WW and YW EPDs in the top 10% of the breed

Commerce is the powerful Connealy sale feature that consistently elicits new fans. He offers massive rib shape, big feet, and an unforgettable presence. In very large contemporary groups, Commerce ratioed 103 for BW, 123 for WW, 125 for YW, 185 for IMF and 110 for RE. His dam is described by Jerry Connealy as, "A broody Cade daughter with a perfect udder," and they have sampled Commerce heavily.

Consistently sires quality! Playbook calves have risen to the top of calf crops across the country. They are quiet-tempered, deep-bodied, structurally correct cattle with exceptional eye-appeal and performance. Playbook is stout, smooth and big-middled with lots of base width and muscle expression. Easy to view and easy to use. A breed leader for \$Weaning, Docility and Milk. A proven low birth weight, Calving Ease sire who does not sacrifice body dimension or growth.
